2 Eligibility
International students enrolled at Tohoku University as of April 2020 are eligible (undergraduate students, graduate students, research students, non-degree students, special auditing students, special research students).

(1) Students given permission to live in a dorm single room until Friday, March 13, 2020 can apply for other dormitories, but please be aware that they will be given low priority for selection. They should consider moving to an apartment as their first choice.

If students will be permitted to live in other dorms, they need to look for the place to stay and space for keeping their belongings for about 2 weeks until moving in their next dorms.

(2) Students who wish to bring over family members from April can apply for a couple’s or family room.
(3) Students currently living in an apartment or abroad who once lived in a university dorm can apply for a dorm. However, if they violated the dorm rules or disturbed other residents during their previous residence, they will not be permitted to live in a dorm again.

(4) Students planning to enter Tohoku University from this April must apply to the dorm now. If they wait to apply until after the announcement of their test results, they will miss the application deadline.

(5) Please confirm the following before applying for dormitories.

① UH Aobayama residents have to pay ¥5,900 every month (for mandatory services for all residents—bedding and housewares rental etc.) besides rent. Please note that residents cannot refuse any of the services even if they don’t need them.

② Smoking is prohibited everywhere on all Tohoku University campuses. Because university dormitories are part of the campus, residents cannot smoke in the dorms or on the premises. If you wish to smoke, please apply for a private apartment.

③ International House Sanjo 1 and Higashi-Sendai are old dormitories and their room conditions are not good. There may be mold and damage to the walls, furniture, etc. Please be aware of this when applying for them.

3 Duration of Stay
In general, one of the periods below. You can apply for UH Aobayama for 2 years or shorter, or other dorms for 1 year or shorter. Residents cannot stay in dorms for longer than these designated residence periods (excluding UH Nagamachi and IH Higashi-Sendai residents).

ⅠH Higashi-Sendai residents can stay during their course term. Though it’s far from campus, they can stay there without moving to an apartment throughout their course term.

(1) April 1, 2020 (Wed.) 〜 September 15, 2020 (Tue.)
(2) April 1, 2020 (Wed.) 〜 March 15, 2021 (Mon.)
(3) April 1, 2020 (Wed.) 〜 September 15, 2021 (Wed.) UH Aobayama only
(4) April 1, 2020 (Wed.) 〜 March 15, 2022 (Tue.) UH Aobayama only

※1 Exchange students are allowed to apply until August 31, 2020 (Mon.) or February 26, 2021 (Fri.).

※2 In principle, students who wish to live in the dorm for periods shorter than the above are not eligible to apply.

※3 Due to room cleaning, students cannot stay in the dorms until September 30 (or
March 31). I.e. you will not be able to stay in your room until the day of the commencement ceremony.

※4 Rent for final month of residence
If students leave the dorm before the 15th of February, March, August, or September, rent and management charges for the relevant month will be half of the regular fee. However, students whose duration of stay is scheduled to end on September 15 are not eligible to receive this discount for August even if they leave before August 15. This discount applies only to the last month written on the resident’s permit.

Please take note of this when entering your residence period if you are a short term student.

4 Rent and facilities
Please see the accompanying sheet.

5 How to apply
Please enter your information on the ‘Application for Tohoku University’s University House and International House ’ (Form 1-1, 1-2) and submit it to the Student Service Division in your department.

※2 Students cannot move in on Saturdays and Sundays.

8 Residence Permit Cancellation & Eviction
Those who fail to move in within seven days of the start of the move-in period without providing a reason, allow unauthorized persons to stay overnight in their rooms, violate University House Management Regulations or International House Regulations, or disobey instructions issued by the university or the dormitory office, may lose their
Residence Permit or be evicted.
In the past, students who disturbed other residents with disruptive behavior were reprimanded, and some were evicted. Please keep in mind that all Residence Permit holders are obliged to comport with community norms and customs, as well as dormitory rules, to ensure a pleasant living environment for all residents.

9 Notes
