

About Course Registration for the second semester of 2025 AY

★ Please register via PC or Smartphone.

Registration, confirmation, and correction period

October 1 (Wed) - October 14 (Tue), 2025

Courses to register

Please register for **Specialized subjects and Related subjects (Second semester)**.

*You do not need to register for "Seminars" and "Research Project A". The Academic Affairs Section will register these for all students at once.

Registration Method

Please follow the instructions in the manual to register from the "Student Affairs Information System".

***The system has been replaced by a new one in September 2024.**

Student Affairs Information System:

<https://slink.secioos.com/user/index.php?tenant=auth.tohoku.ac.jp>

Manual: <https://rp.auth.tohoku.ac.jp/gkms/manual/index.html>

Notes

- For the credits required to complete the course, please refer to the Course Guide in the Student Handbook or on our homepage's syllabus. (HOME>Education>Syllabus):
<https://www.lifesci.tohoku.ac.jp/en/curriculum/syllabus/>
- For courses held in 2025 academic year, please refer to the syllabus and class schedule.
- When you register for a course on the Student Affairs Information System, the course will be automatically registered in Google Classroom on the following day. If the class is not automatically registered in Classroom, please refer to the class code and register it by yourself.
 - * Syllabus → you can find syllabus on the Student Affairs Information System
 - * Class schedule → check the Graduate School of Life Sciences homepage.

2025 Class Schedule, about Google Classroom and Class Codes: <https://www.lifesci.tohoku.ac.jp/oncampus/>

Other

Credit-granted Seminars

If you attend a seminar or other event recognized by the Graduate School as a "credit-granting seminar" and earn a certain number of points, it may be approved as a "related subject".

The points will be recorded on the "Seminar Attendance Card" distributed with the orientation materials. If you have earned enough points, you can receive credit by submitting your attendance card by the specified date. You do not need to register for it.

Credit-granting seminars will be announced via email.

Course Registration for Courses Designated by the Division for Interdisciplinary Advanced Research and Education (DIARE) (Only for M1)

If you wish to take courses designated by the DIARE, please submit the “第2学期学際高等研究教育院 履修科目届 (Notification of Courses designated by the DIARE to be taken in the Second Semester)” (distributed with the orientation materials) through the GSLS Course Registration Form.

Courses designated by the DIARE are recognized as related subjects of the Graduate School. In this case, you do

not need to submit the application for related subjects (関連科目履修願)" described in "Course Registration for Courses Offered by Other Graduate Schools" below.

DIARE, Significance of Designated Subjects: <http://www.iiare.tohoku.ac.jp/class/>

Deadline for submission of notification form: October 14 (Tue)

GSLS Course Registration Form: <https://forms.gle/fLkg8LTGnYeAdrnLA>

Course Registration for Courses Offered by Other Graduate Schools

Students may take courses from other graduate schools that their academic advisor deems educationally necessary as related subjects.

HOME > Education > Syllabus > Curriculum > About Related Subjects: <https://www.lifesci.tohoku.ac.jp/en/curriculums/syllabus/>

If you wish to take courses offered by other graduate schools as related subjects, please submit an application for related subjects through the GSLS Course Registration Form. (Not required for courses designated by the DIARE.)

Deadline for submitting the "Application for Related Courses": October 14 (Tue)

* The original signed by the academic advisor must be submitted.

Course Registration for University-wide Education Courses (including courses related to teacher licensure)

In this case, course registration is not available through the Student Affairs Information System.

Please first obtain permission from the faculty member in charge of the course, and then submit the course registration form and a copy of the faculty member's permission email via the GSLS Course Registration Form.

HOME > For Students > Graduate School's Message Board for students > 2025 年度第2学期「全学教育科目」履修手続について (Registration for "General Education Courses" in the Second semester of the 2025 academic year, Japanese only):

<https://www.lifesci.tohoku.ac.jp/oncampus/detail---id-52774.html>

Deadline for submission of application form: October 15 (Tue)

GSLS Course Registration Form: <https://forms.gle/fLkg8LTGnYeAdrnLA>

Course Registration for Common Graduate School Subjects

Please register for courses according to the registration method and period (depending on the course) as described in the URL below. If you need to register for courses through the Student Affairs Information System, please complete the registration during the above registration period (October 1 – October 14).

HOME> For Students > Graduate School's Message Board for students>Guide to Common Graduate School Subjects in the second semester of the 2025 academic year)

<https://www.lifesci.tohoku.ac.jp/oncampus/detail---id-52775.html>

Course Registration for Courses Offered by Degree Programs (International Joint Graduate Programs, Academia-Industry Collaborating Graduate Programs, etc.)

Please follow the instructions of each program office to register for courses. If you need to register for courses through the Student Affairs Information System, please do so during the above registration period (October 1 – October 14).

For students enrolled in October 2025

- The following three courses are courses for which students can earn credits by attending joint lectures and submitting reports (Japanese only).

「Advanced Biochemistry I～II (2 credits each)」 ... Joint Lectures on Biochemistry
「Advanced Cell Biology I～II (2 credits each)」 ... Joint Lecture on Cell Biology
「Advanced Ecology I～II (2 credits each)」 ... Joint Lectures on Ecology

- These courses are year-long and **cannot be registered through the Student Affairs Information System in the second semester**. If you wish to register, please contact the Academic Affairs Section of the Graduate School of Life Sciences through the GSLS Course Registration Form.

Deadline for application : October 14 (Tue)

GSLS Course Registration Form: <https://forms.gle/fLkg8LTGnYeAdrnLA>

- (Example) You want to take 4 credits of Biochemistry Joint Lectures in academic year 2025.

(In case of attending 10 lectures and submitting 2 reports) ⇒ Register for both Advanced Biochemistry I and Advanced Biochemistry II.

- The schedule for the joint lectures can be found on the Graduate School of Life Sciences homepage.
- Please use the "Joint Lecture Attendance Sheet" to record which lecture you attended and the date of your attendance.

If you wish to take courses offered by other faculties or graduate schools and cannot register for them on the Student Affairs Information System, please contact the Academic Affairs Section, Graduate School of Life Sciences through the GSLS Course Registration Form.
