

## List of laboratories scheduled to participate in Fall Admissions Information Sessions (Sep. 23)

◎ This lab actively recruits students.

○ Participation in both oral presentation and poster sessions

Department		Participation in Information Session	Field of Study (Lab. Name)	Faculty Member Accepting Students	Notes
Integrative Life Sciences		○	Developmental Dynamics	Professor SUGIMOTO Asako	
		Poster Presentation Only	Super-Network Brain Physiology	Professor MATSUI Ko	
	◎	○	Molecular Oncology	Professor TANAKA Kozo	
Ecological Developmental Adaptability Life Sciences		×	Plant Sensory and Developmental Biology	Associate Professor FUJII Nobuharu	
	◎	Poster Presentation Only	Functional Ecology	Professor HIKOSAKA Kouki	
	◎	×	Ecological Integration	Associate Professor SAKAI Satoki	
		○	Macroecology	Associate Professor KASS Jamie M.	
	◎	○	Marine Biodiversity	Professor KUMANO Gaku	
		Poster Presentation Only	Marine Biodiversity	Associate Professor MINOKAWA Takuya	
		*	Ecosystem Functions	Visiting Professor TAYASU Ichiro	The oral presentation will be conducted online from remote location.
Molecular and Chemical Life Sciences	◎	○	Microbial Genetics and Evolution	Professor NAGATA Yuji	
		○	Plant Molecular Breeding	Professor WATANABE Masao	
	◎	○	Plant Molecular Breeding	Associate Professor KANNO Akira	
	◎	○	Molecular Genetics and Physiology	Professor HIGASHITANI Atsushi	
		Oral Presentation Only	Molecular Analysis of Biological Functions	Professor TAKAHASHI Satoshi	
		○	Biofunctional Chemistry and Nanobiotechnology	Professor MIZUKAMI Shin	
	◎	○	Structural Mechanism Research and Development	Faculty Professor YONEKURA Koji	
		×	Chemical Biology of Natural Product	Professor UEDA Minoru
