

**Academic Year 2026 - Second-Term Entrance Exam - List of Laboratories for
Student Recruitment and the Information Session (Sep.26)**

◎ Actively recruiting students

○ Participating in the orientation session

Department		Participation in the Information Session (September 26 (Sat))	Laboratory name (Field of study)	Faculty Member
Integrative Life Sciences		×	Systems Neuroscience	Professor TSUTSUI Ken-ichiro
		○	Super-Network Brain Physiology	Professor MATSUI Ko
	◎	○	Cancer Biology	Professor CHIBA Natsuko
		Laboratory visit only	Immunobiology	Professor OGASAWARA Koetsu
		Laboratory visit only	Biological Interactions	Professor KAWAOKA Shinpei
Ecological Developmental Adaptability Life Sciences		×	Plant Cell Dynamics	Professor UEDA Minako
		○	Plant Development	Professor KYOZUKA Junko
		×	Environmental Genetics	Professor OKUMURA Misako
		Laboratory visit only	Adaptive Morphology	Assistant Professor ANDO Toshiya
		○	Functional Ecology	Professor HIKOSAKA Kouki
		○	Ecological Integration	Professor KONDOH Michio
		×	Symbiosis Genomics	Professor SATO Shusei
	◎	Poster presentation only	Marine Biodiversity	Professor KUMANO Gaku
		×	Human Evolution	Professor SANO Katsuhiko
Molecular and Chemical Life Sciences		○	Microbial Genetics and Evolution	Professor NAGATA Yuji
	◎	○	Plant Reproductive System	Professor WATANABE Masao
		○	Evolutionary Genomics	Associate Professor ICHINOSE Toshiharu
	◎	○	Molecular Analysis of Biological Functions	Professor TAKAHASHI Satoshi
		Laboratory visit only	Biofunctional Chemistry and Nanobiotechnology	Professor MIZUKAMI Shin
	◎	○	Structural Mechanism Research and Development	Professor YONEKURA Koji
		×	Omics and Informatics	Professor IKEDA Kazutaka
		Laboratory visit only	Chemical Biology of Natural Product	Professor UEDA Minoru
		Laboratory visit only	Dynamic Structural Biochemistry	Associate Professor OKUMURA Masaki
